

THANK YOU for considering Venice Cafe for your catering needs. We have all that you need for your next office party, business meeting or luncheon. We will deliver your order along with plates, napkins, serving utensils, spices and of course our famous garlic-herb rolls! Our entire menu is available to choose from, so you can design your order as you please, and we will set the table. If you are having trouble deciding, the menu below presents some of our time tested traditional favorites. Our combo plates are served family-style so that everyone can get a portion of each food item.
